This email acknowledges the receipt of your air monitoring report or notification to Alberta Environment and Parks (AEP).

Alberta Environment and Parks (AEP) is updating its internal data systems in preparation for the AMD Chapter 9 Reporting coming into effect in January 2019.

This will require changes to the reporting process for all EPEA regulated facilities.

It is very important to keep informed on these changes as they are time sensitive.

To receive the most up to date information on the reporting changes, you need to sign up to the AMD mailing list via <http://aep.alberta.ca/air/legislation-and-policy/air-monitoring-directive/default.aspx>

-
- Please follow the naming convention and submission guidelines when submitting reports and notifications. The most up to date Naming and Submission Guidelines are located on <http://aep.alberta.ca/land/programs-and-services/reclamation-and-remediation/legislation-and-general-information/forms-applications/epea-approval-process.aspx>
 - A mailing list has been set up to inform interested parties about updates in regards to CEMS data ftp site issues, mailouts about cems reporting, etc. If you are interested, you can sign up at <http://aep.alberta.ca/air/reports-data/continuous-emissions-monitoring/default.aspx>
 - The 7-day letter must be emailed to ERC.Environment@gov.ab.ca
 - For more information on AMD revisions, check the AMD website that is updated on a regular basis at <http://aep.alberta.ca/air/legislation-and-policy/air-monitoring-directive/default.aspx>
 - If you have any questions please email air.reporting@gov.ab.ca
