

LICA
ENVIRONMENTAL STEWARDS

2023 Youth Calendar Contest

Would you like to have your drawing featured in a calendar? If you're a K-12 student in the LICA region, send us your artwork inspired by our theme!

This year's theme is:

LIVING GREEN

Composting, biking around town, carrying a reusable water bottle - there are many different ways to incorporate ecofriendly habits in your life! This year, LICA wants you to draw yourself doing something good for the environment. Give us your best tips for '**LIVING GREEN**'!

Winners will have their artwork featured in our 2023 calendar and receive a CASH prize!

- Submit entries by e-mail to outreach@lica.ca, mail it to us, or deliver it in-person to our office
- If your entry is selected, the original hard copy of the artwork must be provided to LICA (will be returned after printing)
- Remember to include your **name**, **age** and **school** with your entry
- Competition closes **Thursday, October 14, 2022!**
