

Riparian Health Workshop

LICA Environmental Stewards and Cows & Fish present an opportunity for all land stewards and agricultural producers to learn about the importance of protecting our riparian areas!

Join us in learning how to complete a riparian health assessment, and in finding out what we can do to improve the health of our watershed from our own backyards.

Thursday, August 10th, 2023

9:00am to 4:00pm

**Please contact LICA to register
Directions provided upon registration
