

2024

Earth Day Writing Contest

You are invited to enter LICA's 2024 Writing Contest. This contest gives students in the LICA region the opportunity to compete for prize money while practicing for the Provincial Achievement Test.

This Year's Theme is:

Plastics in Our Place

Grade 6: Write a letter to your family on how to manage plastics in your household and become more environmentally responsible.

Grade 9: Write a letter to LICA explaining what you believe is the most important focus in the responsible management in plastics.

Send your entries to LICA via email, mail, or in person.

Teachers:

Please include an entry form, and a score for each student. Please score according to the ELA Functional Writing Scoring Guide
